

CATALINA CLUB

CAPACITY × 200

From the moment guests walk into the Catalina Club, they are transported to Catalina Island through an airy and bright nautical experience. Designed to emulate the Chicago Cubs spring training home, the Catalina Club captures the island's beautiful history and aesthetic. The space features hand-painted glazed and terracotta tiles and a retractable glass wall for the perfect outdoor dining experience with views of the Field, Gallagher Way, and Chicago Skyline. Your guests will reminisce about their experience basking in the sunshine, feasting on exquisite bites, and sipping on refreshing beverages for years to come.
