

MAKER'S MARK BARREL ROOM

CAPACITY × 200

The Maker's Mark Barrel Room is intimate, atmospheric, and rooted in classic Chicago character. Located along the first-base line, this underground lounge draws inspiration from a historic photo of Al Capone and Cubs catcher Gabby Hartnett, blending baseball history with the spirit of a Prohibition-era speakeasy. Warm lighting, rich wood textures, and barrel-lined details create a discreet setting suited for executive dinners, VIP hosting, or memorable social gatherings. Steps from the visiting team's batting cage, the space offers a unique behind-the-scenes element that adds energy and authenticity to any event.
