

MAKER'S MARK BARREL ROOM

CAPACITY × 200

Classically cool, the Maker's Mark Barrel Room perfectly captures the feel of old-school Chicago. As the original speakeasy at Wrigley Field, this private underground club, on the first baseline, offers artisan menus, mixologist-crafted cocktails, and a Maker's Mark bourbon blend created solely for the club. Its design was inspired by an old photo of Al Capone and Cubs catcher Gabby Hartnett, interwoven with the Maker's Mark brand of rustic barn wood and luxurious distilleries. The Barrel Room is a premier event space to elevate your guest experience through tradition, beauty, charm, and luxury.
